

Welcome to Year 1

We are thrilled to welcome you to Year 1! Our lively classes are named after the beloved authors **Rosen** and **Potter**. Our team consists of **Mrs Lesina** (Rosen Class and Year 1 lead), **Mrs Edwards** and **Mrs Blackmore** (Potter Class). Our teaching assistants are Mrs Darke, Mrs Allchin and Mr Banbury.

Our curriculum is both rich and varied, featuring a treasure trove of delightful stories that spark imagination and lay the foundation for inspiring writing throughout the year. We teach a full curriculum, where each subject is taught discreetly, allowing students to delve deeply into each area of knowledge. We create an engaging environment that nurtures young minds and prepares them for the future!

In Year 1, we engage with our homework platform, Doodle, making learning fun and interactive. We encourage children to read at home 3-4 times a week to foster their love for literature. Every week, we set 5 new spelling words to enhance their vocabulary and writing skills.

Kind regards

The Year 1 Team
