

## **Welcome to Year 3!**

We are Attenborough Class, Anning Class and Scott Class. Our team consists of Miss Bennett (Attenborough Class Teacher and Year Lead), Miss Lewis (Anning Class Teacher) and Miss Luscombe (Scott Class teacher). Our support staff are Miss Roseveare, Mrs Flower and Mrs Dunbar.

Year 3 have the exciting opportunity to take part in Bikeability, a free learn to cycle course ran by specialist providers. We will also be having swimming lessons in the spring term.

Over the year, we will be covering many topics, including Ancient Egypt and Ancient Greece in History. In Geography, we will be learning about volcanoes across the world as well as learning more about the United Kingdom. In Art and DT, we will be making picture frames from wood and creating clay tile inspired by fairy tales. We will be learning about light and magnetism in Science. This year, the children will have the opportunity to learn French where they will learn how to say the name of animals and make simple conversations. All this as well new learning for both Maths and English. We will be going on various trips linked to our topics and will also be having a visit from Clive Pig.

Homework is set every week and much of this will be recapping new learning and revising prior learning. Spellings are also set every week. Reading at home is a daily expectation and will help your children to improve their writing and their reading fluency. Learning their times tables is extremely important in year 3 as it helps them with their maths knowledge. We recommend your children practise them regularly if they don't know them.

We look forward to teaching your children and meeting you over the year.

The Year 3 Team
