

Welcome to Year 5!

Welcome to Year 5! We are **Gandhi Class**, **Mandela Class** and **Tubman Class**. Our team consists of **Mrs Greatrex** (Gandhi Class Teacher and Year Lead), **Mr Matus** (Tubman Class teacher) and **Mr Ogden** (Mandela Class teacher). Our support staff are Miss Keyworth and Miss Benwell.

Year 5 have the exciting opportunity to take part in Bikeability, a free learn to cycle course ran by specialist providers.

Curriculum and Key Events

Over the year we will be covering many topics including:

- **History:** The Romans
- **Geography:** On the move
- **Science:** Earth and Space
- **D.T:** Sauces
- **Art:** Sculptures

We have various exciting experiences planned for the year, including bikeability, a free learn to cycle course ran by specialist providers, and a trip to Market Hall.

Homework is set every week and much of this will be recapping new learning and revising prior learning. Spellings are also set every week. Reading at home is a daily expectation and will help your children to improve their writing. Strong times table knowledge is extremely important in year 5 and we recommend your children practise them regularly if they don't know them.

Year 5 is a crucial year in preparing your children for their final year of primary school and the team will make do all the can to make sure that children are starting Year 6 in a strong position.

We look forward to teaching your children and meeting you over the year.

Kind regards

The Year 5 team.
